## ADULT SOFTBALL CHURCH LEAGUE RULES

1. All league rules are strictly ASA with the following exceptions. All leagues have a 20 run rule after 3 innings, a 15 run rule after 4 innings and a 10 run rule after 5 innings. All leagues must have 9 players to start a game. If starting a game with nine players; when and if another player arrives that player must be inserted in the line-up in the ninth or tenth batting position depending on the vacant spot when alternating sexes in co-ed. All divisions will play a time limit of 1 hour and 10 minutes. Teams will finish the inning they are in, how ever: **No new inning will begin after 1 hour of play!** The scorer will be the official time-keeper WITH THE OFFICIAL CLOCK. If no scorer is available; the plate umpire will have the official time.
2. All protests are handled by the Parks and Recreation Athletic Board and/or Administrative Staff. When filing protest; you must refer to the ASA Guide to ensure that proper procedure is met, otherwise; the protest will not be considered. All recreation leagues are governed by the current ASA Guide unless specified in this set of rules.
3. Every player in the recreation leagues must sign the player Roster/Release. Church and Open team rosters are due **BEFORE** your team's **first game**. If your roster is not on file in the Athletic Office; your team **will not** be allowed to play. A **forfeit** will be recorded. It is the responsibility of the coach to submit the team's roster. The Church league roster must be signed by the proper church authority (Minister). After a roster is submitted to the Athletic Office: the Church will be called or visited for verification. All Open and Church League rosters will be frozen after the 3<sup>rd</sup> week of the season, prior to the 3<sup>rd</sup> week you are allowed to add or take away players if needed. **Church league will be allowed 3 pick-ups; those players have to be noted on the roster.** A player must attend the Church they are playing for or be a noted pick-up player on the roster. The age limit to participate is 16 years of age, with an adult signing the release form for the minor.
4. If a team begins play with the required number of players, that team may continue a game with one less player than it started with, whenever a player leaves a game for any reason other than ejection. If a player leaving the game is a runner or batter, he/she shall be declared out. Note: Whenever the player who has left the game under this exception is scheduled to bat, an out will be declared for each turn at bat. Note: An inning or the game can end on an automatic out. The player who has left the game under this exception cannot return to the lineup. If a player is picked up in order to give a team enough players to participate, he or she must play for one of the teams in the league. (No Outsiders) If a player shows up for the team that was short handed then the pick-up player has to come out of the game and be replaced by the original team player.
5. No more than two coaches may be on the field, and only one coach and the team captain may confer with the Umpire.

6. Each team must present a playable ball (determined by the Umpire) with **ASA 44 core 375 Max Comp.** stamped on it along with the ASA logo. Both the Men and the Women will use this ball. If the Umpire questions the safety of the ball or throws it out of the game, you must present another ball. In Co-Ed play; the men hit the 12-inch ball and the Women hit the 11-inch.

7. Deadline for church league rosters will be before their first game. After the third week of season play the roster will be frozen and no changes will be allowed unless it is a rule 3 exception. The roster will immediately be sent to your minister for proper authorization. In open league and co-ed divisions you will not be allowed to add any player to your roster after the 3rd week of the regular season. After this no changes will be made to league rosters except for rule 3 exception. You must turn your team rosters into our Athletic Office located at 300 West Mill Street in Elizabethton or give them to the official scorer. A team that is found guilty of playing any ineligible player will lose the game in which the player participated in by forfeit.

When you add a player to your roster, that player must come in the Athletic Office and sign the roster or do it at the field with the official score keeper.

8. If a player, coach, or manager is ejected from a game; he/she will draw a two game suspension, **and be fined \$ 75.00 for their actions.** They are placed on probation for the remainder of the season and if ejected again; they must be reinstated by the Athletic Staff or Church Athletic Board. A suspension may be carried over to the following season and can affect other activities operated by the Parks and Recreation Department.

9. **When someone is ejected from a game; he/she must leave the entire Park. If they do not leave the entire Park in a reasonable amount of time (as determined by the umpire), the game may be forfeited.**

10. All players in the Adult Leagues cannot wear steel cleats in League play. If the Umpire discovers this; he will ask the player to remove them or leave the game. Some type of athletic shoe must be worn in order to play.

11. No infield will be permitted before any game. Note: Please instruct your players not to hit any balls against the fencing at any Park.

12. **ASA Church League, Protest concerning non roster player must be done before the first pitch in the second inning, otherwise the player will be deemed an eligible player for that game. If a player comes in another inning besides the first then you have 1 complete inning to question that player.**

A \$25.00 cash or check protest fee must be given score keeper. The score keeper will then check the copy rosters to make sure the player is legal. The Official hand signed roster will be kept in the Athletic Director's office; this copy will over rule all photo copies of the original rosters. (This is if the rule 3 exception comes into play.) If a new player is put into the game he or she can be questioned before the first pitch of a new inning after the player has come in, otherwise they will be an eligible player. If the player

in question is found guilty then the fee will be given back to the team and that team will be awarded the win by protest. If the player in question is found on the roster then the protesting team will lose their protest fee and the game will continue. If the protest concerns a player playing under an assumed name; the protest must be filed immediately and the player in question must show photo ID promptly or the game will be forfeited. All players are required to have photo ID during all games in which they participate. If you cannot prove by photo ID who you are you will not be allowed to play. If the player was playing under a false name and found guilty that player will serve a one year suspension in all Elizabethton Parks and Recreation leagues.

13. A protested game must be filed in writing with the Athletic Coordinator within 24 hours of the game in question. An Umpire's decision cannot be protested. When filing protest; you must notify the Umpire of your intent to protest and if it concerns rule interpretations; you must do so before the next pitch is thrown. You must give the Scorer a written protest and the \$25.00 cash or check protest fee. If the score keeper tells you to contact our office to file your protest, you may do so the next business day. Your protest must be in writing and turned into our office from 7:30am till 4:30pm, Monday through Friday along with your protest fee. Your protest is void if not done in this manner. If the protest is upheld; your fee is returned. If the protest is denied; you forfeit the fee. Protests must be filed in accordance with the information needed as listed in the current ASA Guide. **RULE 12 EXCEPTION**, If the score keeper knows the player and the player has played in previous games the score keeper may over rule if a player does not have a photo ID with them.
14. It is recommended that all players must wear shirts of similar color with numbers on them.
15. Cursing or any type of foul language will not be permitted. The practice known as talking trash will not be allowed in any recreation league. Talking trash is defined as the tactic of unnerving opponents by challenging them with the use of insults. Any person who uses the tactic of taunting opponents by "talking trash" either directly or indirectly is subject to ejection and suspension for a minimum of two games. Suspended players will be placed on probation for one calendar year. Managers/Coaches are responsible for the conduct of their players and fans. Teams that fail to comply could be dropped from the league, forfeiting all fees and future registration priorities. Remember: This rule also pertains to the use of profanity. Any player(s) who are suspended for these rules **will be** suspended for two additional games.
16. The re-entry rule is defined in the current ASA Guide.
17. A written legible line-up must be submitted to the scorer 10 minutes prior to game-time. A team captain must be designated on the line-up sheet with an asterisk beside their name.
